If a more expensive puppy is desired, then the purchaser must pay the difference.

The owner must furnish us with a letter from the veterinarian stating the dog has been spayed or neutered or return the defective pup to Red Dog Ranch.

We will not knowingly breed a dog with a hereditary major health problem, we are also concerned to hear about any health problems you may experience with your Red Dog Ranch Lab puppy. Our goal is to provide you with a healthy puppy. We appreciate it if you report any and all health issues as soon as possible. Though we have never had a pup with any known major health issues, we rely on you, the purchaser to inform us - this in turn help us make informed decisions when we breed our dogs. Please sign this certificate and mail it back to Red Dog Ranch within 1 month of purchasing your pup to activate your warranty. Keep a copy for your records.
